We saw lots of celebrities' houses on a special tour. Look at the actor Keanu Reeves's house. It cost 4.5 million dollars! It has a swimming pool, four bedrooms and four bathrooms.

### Jessica, the Hippo

December 12,

Hi Stav,

I'm having a wonderful holiday in South Africa. I love seeing the wild animals in the Kruger National Park.

5. Yesterday we went to see a famous hippo. Her name is Jessica . She has her own website and a fan club. She was on TV too! She lives with Tonie and Shirley Joubert on their farm near the park.

10. I asked Tonie and Shirley how they found her. They said that they found her after a bad flood. She was next to the river near their house. She was four hors old. They carried her home and gave her milk to drink. Tonie and Shirley knew that she couldn't survive so they took care of her until she was healthy.

Now Jessica is over ten years old. Most hippos are dangerous, but Jessica is not dangerous at all. She's kind and friendly and she loves her family. We even gave Jessica apples to eat and tea from a bottle!

15. Her best friends are Tonie and Shirley's pet dogs. When as wild hippo is in the river, Jessica sometimes goes to meet it. She plays with it , but she always goes back home. It was an amazing visit.

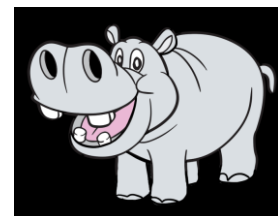

Tomorrow we are going to an animal hospital to see some baby cheetahs. I'm really excited, but a bit nervous too.
